

AC.10 Divine Appointment

Difficulty: 3/5

Drugged and confused, spies rest

The rats are back

Sounds like rumours about insect

Housekeeper and ten ton vehicle

The one pulling the car

Heated argument: lost every head in the end

Livestock sound new

Cooking with gooseberries? You cretin

Ian is supernatural

Storm sounds like it's easing off

Some help opening the rock?

Spinach-eater gives up half a year and turns religious

One month on...

...one month off (normal at first)

Initially (just until lamb's ready) mixes in an egg and keeps things in the air

Irritation up to a point with the church can result in self-control

String me out, stirring in the powerful stuff
